To: The Selectman Liaison for the board of the Council on Aging

Franny Osman has submitted a Volunteer Application to serve on the board of the Council on Aging.

Franny has been on the Transportation Advisory Committee since 2006 and is currently serving as its chairperson. Her record of achievement on that committee makes me believe that her appearance before the VCC would be redundant and unnecessary. I therefore ask that she be allowed to bypass the VCC and be directly considered by the Selectman Liaison for membership on the board of the Council on Aging.
